## Kingsport Amateur Radio Club December 2025 Edition

## **Vice President Notes**

All officer positions for 2026 have been filled: President - Larry Dale; Vice President - Justin Compton; Treasurer - Rick Curtis; Secretary - Christina Compton; License Trustee - Joshua Carmack.

We have added an Eastman liaison and Matt Babler has volunteered for the position.

The last fox hunt of the year will be held on December 20th at 3 p.m.

The December club meeting went well. Several gifts were brought to the meeting to be donated to Toys for Tots. We had two exciting rounds of trivia, with multiple prizes awarded to the winners, hosted by Joshua Carmack. I believe everyone participated and had fun. Thank you to everyone who attended the meeting and voted for next year's officers.

Sincerely,

Justin Compton, K04DCD

Vice President

# Club News

2006 Officers: President: Larry Dale (KD4FTN), Vice President: Justin Compton (K04DCD), Tresurer: Rick Curtis (W4BXL), Secretary: Christina Compton (KQ4CDM), Repeater Trustee: Joshua Carmack (N4JHC).

The KARC foxhunt for December will take place on the 20th of the month. It begins at 3 p.m. And check-ins starting at 2:45 p.m. On the 146.970 repeater. Participants can start from any location in the area, keeping in mind that the foxes will be hidden within the city limits, so having a map on your phone is advisable. All fox frequencies are listed on the [W4TRC.org website](http://W4TRC.org). If you are interested in joining the first trip, please contact Josh Carmack or Justin Compton to arrange a ride. Their phone numbers and email addresses are also available on the website.

HHART & KARC meets at Randall's every 3rd Wednesday of the month from 10:00 AM- 12:00 PM.

NETS: David Herron K4UVU just volunteered and was voted in as the clubs new Net administrator. He currently needs 1-2 new controllers due to commitments causing problems for 2 of the old controllers. We are also considering additional nets on other bands. Let us know what you have interest in.

## **Holston River Valley HF Net 7.295 MHz**

**Beginnings:** In mid 2025 the Holston River Valley HF Net was started as a platform to bring people and clubs the East TN, SW VA area together each Wednesday night at 8:00 PM local time.

**Growth:** This net is open to anyone that holds a General class or higher license.

**Technology:** We will be utilizing Netlogger for this net. We will take check-ins from Netlogger and will request RF checkins.

## **Editorial**

I want to congratulate all the newly elected officers and thank everyone who participates in club activities. I also appreciate everyone who reads this newsletter. As long as you enjoy it, I will continue writing it. If you have any content you would like published, please feel free to send me an email. I would like to thank the club for supporting Winter Field Day, as I am one of the founders, and for allowing me to be the editor of Zero Beat. I wish everyone a Merry Christmas and a Happy New Year!

Best Regards,  
Erik E. McCord, WX4ET  
Editor of Zero Beat
