New Business:

- Tom Price, KI4CVU, is still in recovery following surgery, and John Williams KJ4ZFK, has recently undergone his second knee surgery. At this time, the KARC and its members, send prayerful wishes for their recovery and wellbeing,
- At this time we have had no one to volunteer to host Field Day, so Larry Dale has offered to host, but is still looking for individuals who are interested in

spending the night at the event, or bringing food, drinks, equipment, or supplies.

There is a sign-up form live on the w4trc website: forms.w4trc.org/field-day

- Club Checking and Savings balances reported by the Treasurer, Rick Curtis.
- \$1000 has been transferred to cover the expenses of the repeater project.

Repeater Outages and/or Updates:

- Several weeks ago we noticed the repeaters were going offline. We assumed it was a power issue. AEP came out and checked everything up to the meter and said everything was good on their side. We did more investigation and found that our main cutoff breaker has corroded and seems burnt. Because of that, we are getting very weird voltage drops. We have unplugged all of the repeaters from utility power until this can be fixed. During our work, we also realized the backup battery and solar charge controller had died. We have swapped out both those and only the 2 meter repeater is back online on solar power only. We are working on redoing the electrical feed to the shack and hope to be back on the air soon. *(Joshua Carmack (N4JHC), KARC Repeater Trustee)*

Upcoming Events:

- The W1AW Special Event will take place at on Saturday June 06, at Warriors Path ("Duck Island" area) Pavilion #3 from 12pm to 6pm. At this time we still have several available time slots. Use the following link to sign-up!
